

Parent Questionnaire for school year March 2016

Additional comments:

Very happy with school and progress my son is making.

Excellent School

My son is very happy in St. Mark's and progress may be slow but I do see his improvements.

No problems at all!

Brilliant school. I have been happy and so has my son throughout every year. Always trying to improve and be better.

I am more than happy with the progress my child has made.

This is an excellent school and I am happy with the care and education my child receives.

My son has really come along in this class and I am really pleased with his progress.

Excellent school. Teachers are genuine. Good communication with parents.

My child loves coming to school and always had interesting things to tell us about his learning.

Everything is brilliant. Brilliant class teacher.

I would highly recommend this school to anyone who asked or was looking.

Thank you for all you do. Thank you for the support and patience. It is very much appreciate.

We are very happy with our child's progress.

Thank you for all you do. Thank you for the support and patience, it is very much appreciated.

How we could improve:

Nowhere, extremely happy!

Parking.

I think our children could receive more homework.

Would like to see more variation in homework, occasionally Science etc. Less spellings and sentences.

No improvements needed. A great school with great teachers.

Suggest to give homework for children capable of. They can even have a separate notebook to do homework.

Continue with extra tuition where needed. Give homework on problems subjects, so that we can help.
