St. Mark's Newsletter

In a caring Christian community together we love, learn, laugh and achieve.

Sickness/Absence:

Please remember that COVID-19 symptoms are a **high temperature, a continuous cough and loss of taste and smell**. If your child or anyone in your household has any of these COVID-19 symptoms they must self isolate at home. Please inform staff of your child's absence.

Nasal Flu Vaccinations:

The Nasal Flu team were in school on Tuesday administering Nasal Flu sprays to those children who had returned the consent forms.

Adults on School Site:

We want to reduce the number of adults on the school site, so could we ask that only adults dropping Reception and Nursery children off come on to the school site in the morning.

Please remember to wear a mask and keep at least 1 metre between adults on school grounds and not congregate by Leathers Lane gate.

Walk to School Week:

On Monday 5th October, we are taking part in a five-day walking challenge to raise awareness and celebrate walking for all. Pupils will be well on their way to reaching their recommended 60 minutes minimum of physical activity per day before even reaching the school gates! Not only will it set them up for a positive day in the classroom, it will also help create healthy habits for life.
