St. Mark's Newsletter

In a caring Christian community together we love, learn, laugh and achieve.

Year 6 Residential:

Year 6 returned from PGL on Monday all looking exhausted (including the teachers!). They had a fabulous 4 days full of activities and making special memories to last a lifetime. It was such a relief to watch them leave on Friday, especially after the year we have had. We are so pleased that PGL could go ahead, our Year 6 truly deserved it.

Zoom Assembly:

We held a Zoom assembly this morning. We watched a slideshow and Mr Coakley spoke about all the fun activities Year 6 took part in during their time at PGL.

Children were awarded their weekly awards.

Sport Days:

Classes will have sport days in the next two weeks, sadly we have been advised that parents are not allowed to attend due to Covid. We will post photographs on our school Twitter account @StMarksHalewood.

Year 5:

Our Year 5 bubble had to close due to Covid cases. They are due to return to school on Tuesday 6th July. If your child has contracted Covid during the isolation period, they must remain at home for 10 further days from the on start of symptoms or being tested positive. We are advising children be tested prior to returning to school to stop the further spread of Covid within this bubble.

Bikeability training will commence on Tuesday 6th July to Friday 9th July. Miss Doyle will contact the parents of children who are due to have their session on Tuesday beforehand so they are prepared. Any children who are unable to take part next week will have the opportunity to complete Bikeability next year.

Uniwise—Halewood Uniform Swap:

Halewood Town Council are once again planning on repeating the initiative. Donations of good quality, laundered uniform can be dropped off or collected from St. Mary's

Book Bags £5.00

These are available to purchase from the school office. We are now running low on some items but have placed a further order which hopefully will arrive soon.

Pupil Book Recommendation:

Alexia M from Year 3 is reading 'The Incredible Shrinking Girl' by Lou Kuenzler. She said it is about a girl who has always wanted to ride the Plunger, the scariest roller coaster around. When she is finally tall enough something crazy happens and she shrinks to the size of a fish finger and she uses this special power to help solve a crime. Well done Alexia!
