- ✓ Activity Six: E-safety.
- ✓ Activity Seven: controlling physical systems.

<u>Word processing</u>	
font	animate
format	copy
alignment	paste
border	application
italics	window
bold	select
transition	edit

<u>Technical</u>	
hardware	network
software	WAN
input	LAN
process	server
output	interface
data	URL
storage	

<u>Coding</u>	
sequence	variable
program	decomposition
command	loop
algorithm	abstraction
debug	trigger
conditional	

<u>E-safety</u>	
virus	privacy settings
worm	locator services
Trojan	chat rooms
malware	profile
cyber bullying	cookies
SPAM	digital footprint
