Additional Comments:

Excellent school, teachers/staff.

Both my children enjoy St. Mark's School.

Any concerns that I have had have been dealt with appropriately and in a timely manner.

My child is settling in well in Year 5.

Brilliant school, we have never had a problem in the past 4 years.

Teachers are very supportive to the children.

Staff are very friendly and helpful.

I am pleased with the school.

Really happy with how my children learn at St. Mark's.

My child has only been in the school for 4 weeks, but because my other children all attended this school, I can go off past information and say I strongly agree with all points.

Thank you to all you do.

I couldn't fault St. Mark's school, the staff are amazing and my children have blossomed from having the support they receive.

Miss Vondy and all the Reception staff are very supportive and ALWAYS put the children first.

Thanks to Miss Bamber and all the teaching staff for looking after my child, especially that she's not very language proficient.

My child enjoys coming into Nursery and says he'd like to stay longer.

All the children from our family have been to this school, and I couldn't recommend it enough.

Great!

All three of my children attend and love coming to this school. They all have been achieving all targets and receive amazing support.

I have had no concerns so far. My child has come on lots, the reading and English offered has been really helpful.

I feel that some children are overshadowed by the disruptive children in the class. This has been the same throughout the school years. All the teachers are friendly and welcoming as a whole. The teaching is brilliant but I feel like it is the same children who have the focus on certain situations, not all.

No concerns, keep up the good work!

My daughter is so happy and really enjoys her time at school. Thank you all so much for all you do.

Love St. Mark's. It is an amazing nursery. The teachers are so kind and I am very happy with her there.

Thank you for everything you do for my child. She loves school so much!

We are very happy with this school.

My 2 children absolutely love coming in to school everyday. I am very happy with both of their progress.

I feel well supported and informed as a parent. My child would feel much happier in school if/when their mental health improves (awaiting support from outside agencies).

School have been so supportive to my son through a difficult 18 months, thank you!

With my child being in Year 1, they may not be most efficient in expressing themselves, we encourage our child to look after themselves and be responsible for themselves. They receive support from teachers as well as elder classmates.

My children really enjoy school, they are very happy.

My child loves St. Mark's, she thoroughly enjoys coming to school.

I would definitely recommend St. Mark's.

Always helpful with concerns.

No problems at all or issues of any sort. My child loves school and her class friends and teachers.

My child receives good education in different subjects.

How we could improve:

I believe my child would benefit from more 1:1 tuition in Maths, sadly there is not enough teaching staff to assist this.

Communication and understanding SEN.

Make a winter PE kit.

I think communication could be a little less technical as sometimes the app doesn't always notify us of new information. You have to log in to receive updates.

Maybe provide a bit more help with my child being smaller to help give them more confidence.
