Pupils are identified as having SEND, and their needs assessed, through :

- ❖ information passed on from Nursery/ Infant/Primary/previous schools;
- ❖ Key stage results, baseline testing and progress data;
- ❖ feedback from teaching staff and observations;
- ❖ interventions not showing impact;
- ❖ referrals from parents
- ❖ pupil referrals

All pupils are rigorously tracked in order to inform our planning and teaching. If there are any concerns regarding progress or if any child requires extra support then this is identified by staff at the earliest opportunity and swiftly acted upon.

If you are concerned about any area of your child's development please speak to your child's class teacher in the first instance. They may be able to provide you with further information about what the school can provide.

<p>3a Evaluating the effectiveness of the provision made for pupils with SEND</p> 	<p>Tracking is completed termly and adaptations to provision made in light of these findings. Progress and evaluation is reported to the Governor with responsibility for SEND. Termly reports are made to the Governing Body and SEN Information Report posted on the school website.</p>
<p>3b Arrangements for assessing & reviewing pupils' progress towards outcomes, including opportunities available to work with parents & pupils as part of this assessment and review</p> 	<p>These arrangements include:</p> <ul style="list-style-type: none">❖ data tracking for pupil progress❖ observations and follow up❖ 3 open evening meetings a year and an end of year written report❖ 'Open door' policy❖ Reviews of children's 'Individual Education Plan' targets take place 3 times a year and shared with both parents and pupils❖ Annual reviews for children with Education, Health and Care Plans <p>As a school we follow a specific Assess-Plan-Do-Review cycle to support the progress of your child. More specifically this means: planning which involves discussing in-depth the nature of the problem that your child may be experiencing and what specific support can be put in place. The doing aspect involves the school and any other agency (if required) carrying out an agreed intervention over a set period of time. A review will then be arranged between the school and parents and any other agencies that may be involved or are being considered to become involved with your child.</p> <p>The impact of all interventions are measured and monitored closely. If, following interventions a child's progress continues to give cause for concern, your child's class teacher and/or the SENCO will discuss next steps with the child's parent/carer. If it is felt a child requires further additional support school will discuss with you the pathways to more specialist support/provision.</p>
