

## Year 5 – Animal, including human

### Intent:

- I can  
age

describe the changes as  
humans develop to old

### Key Vocabulary

egg  
fertilisation  
embryo  
baby  
child  
teenager  
adolescent  
adult  
childhood

# Animals, including humans

Pupils should be taught to:

- describe the changes as humans develop to old age

## Notes and guidance (non-statutory)

Pupils should draw a timeline to indicate stages in the growth and development of humans. They should learn about the changes experienced in puberty.

Pupils could work scientifically by researching the gestation periods of other animals and comparing them with humans; by finding out and recording the length and mass of a baby as it grows.
