

Year 6 -Geography- Natural Resources

Intent:

- To identify some of Britain's natural resources and explain how they are used.
- To identify some ways in which natural resources are used to produce energy.
- To identify clean and renewable natural resources.
- To identify parts of the world where wood is produced.
- To know where and how steel is produced.
- To know where and how glass and concrete are produced in Britain.

Key Vocabulary
natural
resources
wind turbines
abundant
mineral
energy
electricity
coal
gas
National Grid
renewable
production
imported
exported
steel
trade
extraction
concrete
