## Primary & Secondary School Admissions:

It is now time to start applying for a place in Reception for Nursery age children and Secondary school for Year 6 children. The closing date for applying for a Reception place is 15th January 2024. You must also complete the supplementary Faith form and return to school enclosing a copy of your child's baptism certificate. Failure to do so, will result in your child not being ranked accordingly as per the criteria in our Admissions Policy. A Copy can be found on our school website.

The closing date for applying for a secondary school place is 31st October 2023. Please check with the schools you are applying for as they may have their own applications as well as the Local Authority application. Therefore both would need to be completed.
