

Year 2  
Summer Term  
Teddy Bear's Picnic

Evaluating existing products	Discuss and explore different picnic foods and where they have come from.
Investigate materials, tools and techniques	Discuss and explore different appropriate picnic foods. Taste different types of picnic foods using appropriate vocabulary to describe them.
Design	Design a food skewer considering healthy options and thinking about safety and hygiene when preparing food.
Make	Children to follow their designs to make their food skewers, remembering to be safe and careful. Children to follow a set of instructions to make Teddy Bear biscuits.
Evaluate	Children to evaluate a picture of their picnic food considering what went well and changes they would make next time.
