

ST. MARK'S NEWSLETTER

In a caring Christian community together we love, learn, laugh and achieve.

Saint Mark Challenge:

Thank you to all the children and parents who have entered our St. Mark challenge. It has been a very difficult decision narrowing it down to three winners. But after a lot of deliberation we are proud to announce the winners of our Saint Mark challenge. Congratulations to Mikey from Reception, Albie from Y1 and James from Year 3 who have all received a £10 voucher. Every child who entered have all received a small token prize of a chocolate bar.

Don't forget to visit us on 'X' to see all the fabulous creations.

Swimming:

Year 5 continue with their swimming lessons on Tuesday and Wednesday next week.

Year 6 Pond Dipping:

What a fabulous afternoon Year 6 had on Monday when they visited Halewood Environment Centre to take part in pond dipping. They explored the local environment and discovered new Spring pond and plant life. We are so lucky to live within the vicinity of all that Halewood Triangle has to offer.

School Games Festival:

Thank you to all the students from Hope University for organising a school games festival at Halewood Academy. The children focused on the school game values of honesty, belief, teamwork, passion, respect and determination.

Netball:

We took a group of Y5/6 girls to a netball competition on Monday. After only a couple of practices, they played extremely well as a team, just missing out on the semi-final. Well done team!

Summer Trips:

Nursery and Reception are going to Imagine That on 3rd July. Year 1/2 are visiting Gullivers World on 12th July and Y3 to Y6 are going to Widnes Superbowl and cinema on 15th July. All trips cost £15.00 and payment can be made via ParentPay or cash to the school office.

Builder Book Workshops

Thank you so much to Redrow who organised the Builder Book workshops for our Years 3 and 4. Thank you also to local Liverpool author Jude Lennon and Dom Bryan who delivered the workshops and for making the sessions so much fun for our children. The children met Booksy and his Builder Book bugs and helped them to build a new den. They had to use their imaginations to draw/write a place they would like to visit in the imagination den.
